

Jewels Christian School

Attendance Report

Alabama State Law requires that the parent/teacher (YOU) keep up with attendance and report to **Jewels Christian School** every active day of study for each enrolled child during each school year. Please do so. Because **Jewels Christian School** requires **180 days of learning**, out of 365 possible days. There should not be any missed days because you can work for as many hours you are capable, with at-least 20 hours a week, on **ANY** day of the week.

ATTENDANCE RECORD

School Year: Aug 1st, _____ to July 31st, _____

Mark each calendar day to be reported as a day of academic attendance by writing 'P' for present. Total should be a minimum of 180 days.
